

Cookie Policy

1. What are cookies?

Cookies are small text files placed on your computer and are commonly used on the internet. They allow us to make our website more useful based on stored information about your preferences when you visit us. We do not store cookies beyond such interaction. If you choose to, you can set your web browser to reject cookies from our service, although you may not be able to experience the full service we provide if cookies are disabled.

2. What types of cookies are used and why?

The cookies used are from the content management system: Mono.

The cookies Mono uses are per-session cookies. These per-session cookies store no personal information on any database that is accessible on our server.

Per-session cookies are used to improve the overall website user experience.

3. How long is information stored for?

Per-session cookies are stored for the duration of the user's session. They are deleted when the user closes or leaves the site.

4. Can users manage their cookie preferences?

Per-session cookies are an automated feature that comes pre-installed into the mono platform. If you choose to, you can set your web browser to reject cookies from our service, although you may not be able to experience the full service we provide if cookies are disabled.

5. Use of Google Analytics

There are two Google Analytics accounts on FCR Media Launch Online Websites. One of these Google Analytics is pre-built into the Mono platform, this provides a basic, non-personal overview of the website's traffic and performance from within the Mono dashboard.

This built-in Google Analytics account monitors:

- Page Visitors
- Page Views
- Returning Visitors
- Users

- Form Submissions
- Web Browser's Used by Page Users
- Devices Used By Page Users
- Most Visited Pages
- Top Referral Websites
- Top Actions on the site

The additional Google Analytics account is a fully fledged, standard Google Analytic account. Please review Google's terms and conditions for more information on Google Analytics: <https://marketingplatform.google.com/about/analytics/terms/us/>

For a full list of Google Analytics Policies please review the information at the link below <https://support.google.com/analytics/answer/4597324>

6. Who manages the Google analytics accounts?

FCR Media manage the Google analytics account on behalf of RMDK Consultancy.

7. How Google uses Information

Many websites and apps use Google services to improve their content and keep it free. When they integrate our services, these sites and apps share information with Google .

For comprehensive information about how Google uses information, including How you can control the information collected by Google on these sites and app please review the information at the link below <https://policies.google.com/technologies/partner-sites>

8. Is information transferred outside the EU or kept on servers within the EU?
